CORRIGENDUM

Upper limit of the normal range for thyrotropin-stimulating hormone is higher with increasing age [Corrigendum]

Jolobe OM. Clin Interv Aging. 2012;7:299-301.

On page 299, note that the title was incorrectly listed as "Upper limit of the normal range for thyrotropin-stimulating hormone is higher with increasing age". The correct title is "Upper limit of the normal range for thyroid-stimulating hormone is higher with increasing age". On line 2, note that TSH was incorrectly defined as "thyrotropin-stimulating hormone". The correct definition for TSH is "thyroid-stimulating hormone".

On page 301, line 2, note that TSH was incorrectly defined as "thyrotropin-stimulating hormone". The correct definition for TSH is "thyroid-stimulating hormone".

Clinical Interventions in Aging

Publish your work in this journal

Clinical Interventions in Aging is an international, peer-reviewed journal focusing on evidence-based reports on the value or lack thereof of treatments intended to prevent or delay the onset of maladaptive correlates of aging in human beings. This journal is indexed on PubMed Central, MedLine, the American Chemical Society's 'Chemical Abstracts

Service' (CAS), Scopus and the Elsevier Bibliographic databases. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit http://www.dovepress.com/testimonials.php to read real quotes from published authors.
