

Clinicopathological and Gene Mutation Analysis of 27 Cases with Extranodal Rosai–Dorfman Disease [Corrigendum]

Tang M, Gu XZ, Wu PC, Yang XT. *J Inflamm Res.* 2022;15:2775-2787.

The authors have advised that there is an error in affiliation 2 on page 2775, “Yunnan Blood Disease Clinical Medical Research Center” should read “Yunnan Province Clinical Research Center for Hematologic Disease”.

The authors apologize for this error.

Publish your work in this journal

The Journal of Inflammation Research is an international, peer-reviewed open-access journal that welcomes laboratory and clinical findings on the molecular basis, cell biology and pharmacology of inflammation including original research, reviews, symposium reports, hypothesis formation and commentaries on: acute/chronic inflammation; mediators of inflammation; cellular processes; molecular mechanisms; pharmacology and novel anti-inflammatory drugs; clinical conditions involving inflammation. The manuscript management system is completely online and includes a very quick and fair peer-review system. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
