After accepting your offer from BU it is important to set up your BU Account with an Email address and Kerberos password.

You will receive email directions about setting your BU email account and Kerberos password. This email will have an Access Code from the Office of [Information Technology](#) at Boston University.

Please check your spam or junk mail folders for this email.

If you have not received this email, please notify Melissa Nesbitt at mnesb@bu.edu.

You will not receive communications from BU, including critical information from your department about your advisor assignment and registering for courses, until you have created your BU email account.
