

**Tiana L. Farrant**  
**Emergency Management Coordinator**  
**City and County of Denver Mayor's Office of Emergency**  
**Management and Homeland Security**

Tiana joined the Denver Office of Emergency Management (OEM) in January 2018 to lead the planning and development of the updated Threat and Hazard Identification and Risk Assessment (THIRA) and Stakeholder Preparedness Review (SPR) processes for the Denver Urban Area Security Initiative (UASI). She concurrently serves as Emergency Operations Center (EOC) staff, OEM Duty Officer, and Terrorism Liaison Officer (TLO).

Prior to joining Denver OEM, Tiana was a Hazard Mitigation Planner and federal contractor to FEMA, and a Community Planner for the U.S. Department of Transportation. During graduate school, she completed work experiences with the Downtown Boston Business Improvement District, the City of Boston, the Commonwealth of Massachusetts, and the University of Boston. Prior to graduate school, Tiana was the Boston District Service Department Manager for SimplexGrinnell – a commercial provider of fire alarm, fire sprinkler, security, and other life safety/emergency services. She also served four years on active duty in the U.S. Army as an Air, Space, and Missile Defense Officer.

She holds a M.C.P. in Urban and Regional Planning from Boston University, a B.S. in Geospatial Information Science from the U.S. Military Academy at West Point, and an Executive Certificate in Business Administration from the University of Notre Dame. She's actively working towards earning her Certified Emergency Manager (CEM®) credentials.
