

# PARTNERS IN HEALTH

## Information Session

**Thursday, November 17, 2016**

**1:00 – 1:50 pm**

**Location: R115**

**RSVP: [SPH Handshake](#)**

Partners in Health is a non-profit organization whose goal is to bring modern medical care to patients in the poorest areas of developing countries. They work in close partnership with local government officials and the world's leading medical and academic institutions to build capacity and strengthen health systems.

And they are committed to accompanying the people and communities served for the long term.

Join PIH representatives (and SPH alumni!) to learn about the organization, its programs, and opportunities:

**Sarah Coleman, Mental Health Coordinator, SPH '15**  
**Leigh Forbush, Global Learning and Training Specialist, SPH '15**

*Co-sponsored by the Career Services Office and Department of Global Health*

Boston University School of Public Health
