

Research Seminar Series 2017-2018

The Pardee School of Global Studies has launched its Research Seminar Series as a forum for faculty and students to discuss and receive feedback on ongoing research. The series is a mix of **presentations, works-in-progress sessions, and research workshops**. We do our best to strike a balance in presentation themes, methods, and disciplines.

We meet on **Tuesdays or Wednesdays** from **12:00 PM to 1:00 PM** at **154 Bay State Road, Eilts Room, 2nd Floor Conference Room**, unless otherwise noted.

Coffee, tea, and refreshments are provided.

Faculty and students from BU and elsewhere are invited to present and attend our Research Seminar Series. This seminar is open to the public. Due to space constraints, however, admittance will be on a *first come, first served* basis.
