SPANISH THROUGH TRANSLATION

— FALL 2020 —

Viajando entre culturas

.....

Do you want to know the meaning of every little detail? Do you enjoy deciphering messages? Do you like translating from English into Spanish and viceversa? If your answer is yes, this course is for YOU. An introduction to translation theory and practice, where we approach different types of written texts and peak into the audiovisual world of creating closed captions from English into Spanish and from Spanish into English.
